WOOD-BASED PANELS THAT OPEN UP NEW PERSPECTIVES.

From design to completed project, every step counts. After all, designs are only really appealing if they can also be realised. By choosing Pfleiderer, you're off to the right start. Aesthetic, functional and by design. In the 2021–2024 brochure, we introduce you to our extensive product range designed to make you more successful. Stylish, expressive and modern decors, innovative surface textures and core panels all come together perfectly to meet your technical, cost and user requirements. From high-quality individual items to sector-spanning concepts – you can turn your vision into reality with practical, high-quality solutions from Pfleiderer.

Unlock new perspectives – with a cleverly designed range of matching doors.

Doors are an element of all interior planning. Pfleiderer's door range ensures that they meet all functional and aesthetic requirements: uncompromisingly good quality, processing-optimised materials that can be realised in the same finish.

HPL FOR DOORS

For your door range, we offer 110 selected finish and texture combinations in HPL quality to EN 438 standard, available at short notice from stock. This HPL collection gives each door a unique character. The outstanding designs in Duropal XTreme, Duropal XTreme plus, Duropal SolidColor and Duropal SolidColor Xtreme make an impressive impact. And the best thing is: the colours and finishes match the high-quality interior panels from Pfleiderer's extensive wood-based panel product range to guarantee optimum design scope.

- As Duropal-HPL in formats 2,150 x 915 / 950 / 1,050 / 1,300 x 0.8 mm, 2,350 x 1,050 and 2,350 x 1,300 x 0.8 mm directly ex stock. HPL format 2,800 x 2,070 x 0.8 mm partly ex stock, otherwise available through the dedicated production programme.
- Individual HPL lengths between 2,050 and 5,300 mm and other HPL thicknesses (including 2.0 mm) are possible on request.
- Available in the variants Duropal XTreme, Duropal XTreme plus, Duropal SolidColor und Duropal SolidColor XTreme.
- Door decors with microplus® integrated hygiene protection can be supplied on request.
- Matching melamine faced decorative panels and HPL flat-bonded elements are available in the DST system which offers a wide range of technically and optically tested combinations of decors, structures and core materials.

DUROPAL XTREME PLUS IS AWARD WINNING!

The "Red Dot" is the award for high design quality. The international jury only awards the coveted seal of quality to products that have an outstanding design. This year, the jury also awarded it to Duropal XTreme plus from Pfleiderer.
